 STUD FARM
 1 2 3

Is the address for invoices the same? YES NO

If you check NO, please provide another address

- (1) Should the owner be a corporation, a copy of the company deed must be included, as well as VAT/Tax number. Then proceed to fill out section 2.
- (2) Only in those cases where the representative is not the actual owner. In the case of a corporation, please indicate the name of the administrator or the authorized party to represent said company before the PRE Stud Book, including a copy of his/her ID/passport number/Driver's License.

By signing this document, you declare that all data is true and correct. Should you indicate a representative, you authorize him/her to act before the PRE Stud Book, in which case, said person may address the office and is empowered to perform duties in your name.

In the city of _____ on the _____ day of _____, 20__.

Signed: _____
(The Owner or Representative)

IMPORTANT: REMEMBER TO SIGN THIS FORM & INCLUDE A COPY OF YOUR ID/PASSPORT/DRIVER'S LICENSE

Basic Data Protection Information:

Responsible for data processing: Royal Purebred Spanish Horse Breeders' Association.
Objective of this data processing: Manage Association services and handle administration, fiscal and accounting processes of its members and breeders while providing timely information about ANCCCE events, activities and services using a range of methods, including electronic means. The name of your stud farm, breeder code and brand will be published on the various ANCCCE web sites for consultation relative to your condition as a breeder.
Legitimation of this data processing: Legitimate interest.
Beneficiary: Your information and data may be turned over to the Ministries of Agriculture and Internal Revenue, as well as any other public administration that may so require as established by the laws of Spain. Information relative to your condition as a breeder may be published on the ANCCCE web sites. We are working with email providers and outsources postal/messenger services involved in the international transfer of data, in which case we will adopt the necessary guarantees to protect your information. You may consult these suppliers at www.lganccce.com and www.ancece.com.
Rights: You have the right to access, change or eliminate data, as well as other rights, which are detailed in the additional information section.
Additional information: You may consult additional and more detailed information about Protection of Data at www.ancece.com or at www.lganccce.com.

I have read and accept the specifics detailed in the section titled **Basic Information Regarding Data Protection**.
